

The Caddy California Brochure

Commercial
Vehicles

The Caddy California

The ideal companion for travel and everyday life

The Caddy California is based on the fifth generation Caddy and is the newest member of the Volkswagen campervan range. The Caddy California is available in the California short wheelbase and the California Maxi long wheelbase, with a choice of two 2.0 litre TDI engines producing 102PS and 122PS and a petrol 1.5 litre TSI that produces 114PS as well as a choice of manual or DSG transmission. Well equipped and big enough to sleep two adults in comfort, the Caddy California is the perfect companion for your next adventure.

Reimagined, enhanced and designed

The Caddy California takes its design hints from the recently released Caddy Life, including 16 inch 'Wien' alloy wheels, halogen headlights with separate daytime running lights, LED tailgate lighting surrounds and unique 'California' badging to name but a few. On the practical side, twin sliding rear doors allow easy access or loading from both sides, while the black roof rails can accommodate items such as a roof box or bicycle carrier. Inside, numerous storage compartments, a folding comfort bed with dished springs, slide-out kitchenette and the folding camping table with two folding chairs make the Caddy California a real home-from-home wherever you are.

Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification.

Cosy, practical, versatile

The Caddy California's folding bed measures 1,980 mm x 1,070 mm and offers the same high standard of comfort as the beds in the larger California and Grand California. The bed consists of a triple-folded surface with an aluminium frame and dished springs, as well as a foam mattress with a removable fabric cover. The bed is positioned behind the second row seats above the luggage compartment and also serves as a rear shelf. When folded out, the bed is supported by lockable support points on the side wall and on the B-pillar and can support up to 250 kg.

Clever details

The slide-out kitchenette is an absolute highlight of the Caddy California and is standard on all models. This mini-kitchen includes a single burner cooker with integrated gas bottle, cutlery drawer and a storage area for utensils and food. Also, since the kitchenette is mounted at the rear of the vehicle, the Caddy's tailgate doubles as a weather-shield to provide protection from the elements while cooking.

The enhanced, practical storage pockets on the rear side windows hold essential items weighing up to five kilograms per side. They are fastened at the top with two rotary fasteners and at the bottom with two snap fasteners, while at the same time, the pockets serve as blackout blinds for the rear side windows.

Handy and practical, the camping table and two chairs are a great addition to any trip and because they are foldable, they can be conveniently stowed in bags under the bed out of sight.

- 01 Folding camping table and chairs
- 02 Slide-out kitchenette
- 03 Storage pockets double as blackout blinds for the rear side windows
- 04 Detachable ventilation
- 05 Sun shade provided for the doors and rear tailgate

Flexible as always. More innovative than ever

The Caddy California is packed with new technology and features Volkswagen's most advanced infotainment, connectivity, safety and driver assistance systems, and even an all-new optional digital dashboard, making every trip just that little bit more enjoyable.

Perfect for everyday use

The Caddy California comes as a short wheelbase or the Caddy California Maxi which offers an extra 353 mm in length.

Modern design

A striking front end design with honeycomb front air intake, dynamic, clear lines, and an array of improvements to help achieve better efficiency.

Ultra-digital and closely integrated

High-resolution Digital Cockpit¹, new infotainment systems with touch-screens up to 10 inches¹, shortcuts for main infotainment functions and Volkswagen We Connect preparation².

Partly automated driving

The latest generation of driver assistance systems, including Adaptive Cruise Control (ACC)^{1, 3, 4}, Trailer Assist with Park Assist^{1, 3} and lane change system Side Assist with Rear Traffic Alert^{1, 3}.

1 Optional at extra cost. 2 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from vehicle handover to register the vehicle on the portal.volkswagen-we.com in order to use the services for the full duration of the agreed complementary period. Only available in conjunction with a compatible infotainment system. 3 Within system thresholds. 4 Only available in conjunction with the dual-clutch gearbox (DSG). 5 Only available for TDI engines. 3RJ, 79H and 7X2 are currently available as options on the Caddy California only. Caddy California models can be ordered with these options and certain Caddy California models available from stock may come with these options. Estimated lead time for the new vehicles is up to 12 months. Stock models are limited and subject to availability. Please speak to your local authorised Van Centre for more information. Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification.

Everything in view, easy functionality

The Caddy California shows exactly what it can do – on a wide digital screen. The optional high-resolution Digital Cockpit¹ features two large displays which provide the driver with all the essential information they will need. Volkswagen We Connect² brings a wealth of extras, and the free app turns your smartphone into a remote control.

01

02

03

04

Experience digital progress first-hand in the Caddy California. The touch-sensitive displays recognise the same gestures as your smartphone. You can control navigation¹ and multimedia functions, the air conditioning and the mobile online services that are available from Volkswagen We Connect².

Enjoy a wealth of extras by supplementing the 10 inch touch-screen infotainment display of the Discover Pro navigation system¹ with a Digital Cockpit¹. The high-resolution 10 inch digital instrument cluster screen is perfect for displaying a 3D view of the navigation map, and also lets you view the current driving data or your smartphone media library. Use the buttons on the multifunction steering wheel to scroll conveniently through the playlist, select your next mobile call via contacts, or activate individual driver assistance systems.

- 01 Gesture control
- 02 Navigation systems with 10 inch display¹
- 03 Voice control¹
- 04 Inductive charging function¹

¹ Optional at extra cost.
² To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from vehicle handover to register the vehicle at portal.volkswagen-we.com in order to use the services for the full duration of the agreed complementary period. Only available in conjunction with a compatible infotainment system.

We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

We Connect¹

BREAKDOWN CALL

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.

PARKING POSITION

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.

SERVICE SCHEDULING

You drive - Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.

EMERGENCY CALL SERVICE

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus^{1,2}

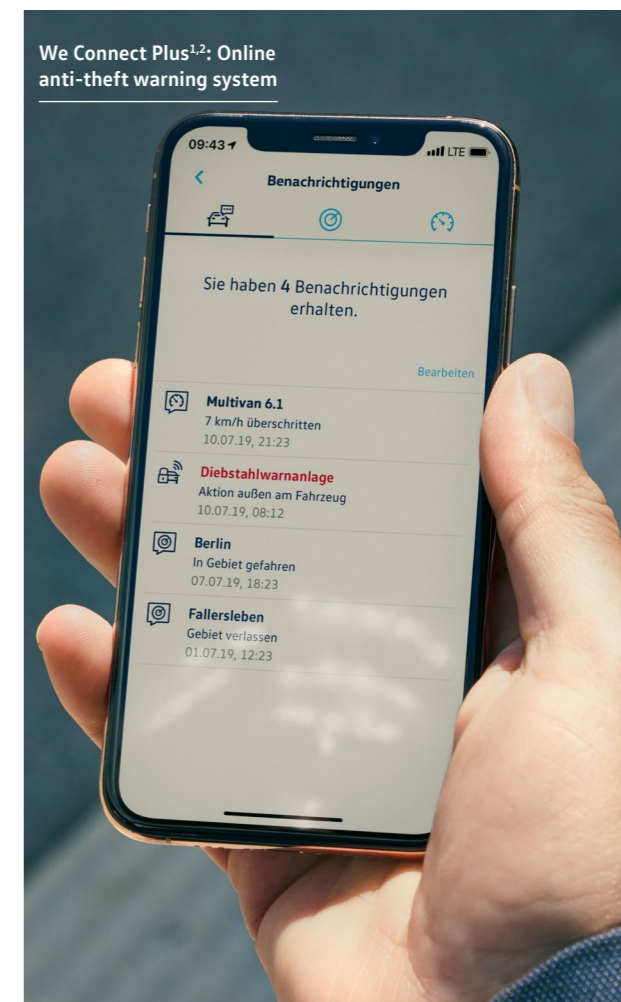

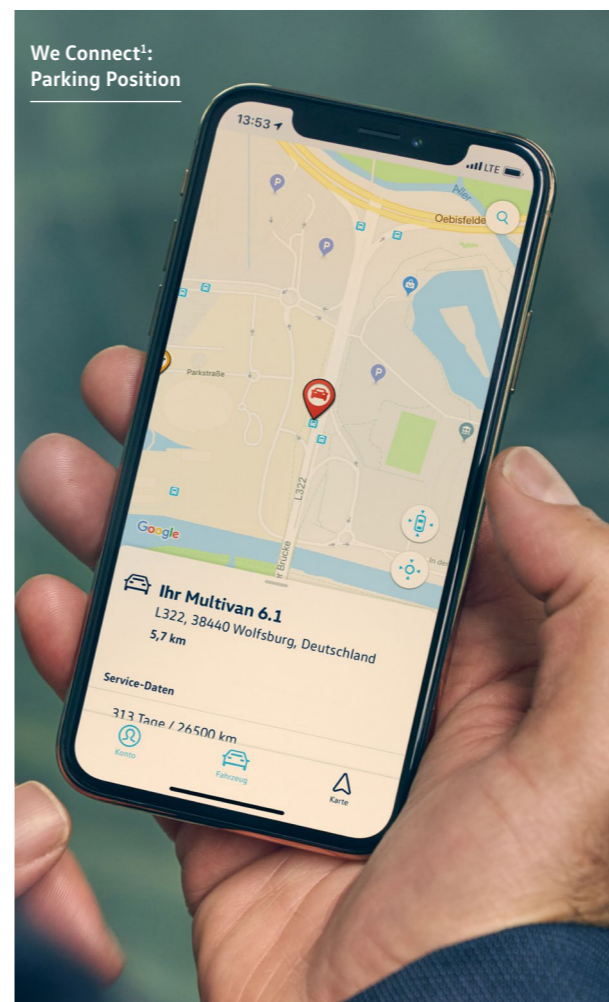

LOCK & UNLOCK

'Lock & Unlock' allows you to control the central locking system of your vehicle - using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.

ONLINE ANTI-THEFT ALARM³

Sit back and relax - your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.

¹ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. ² Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com ³ For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. Helping you to be a better driver

Trailer Assist.^{1,2}

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with towbar preparation or removable and lockable towbar.

Adaptive Cruise Control (ACC).^{1,2}

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

Front Assist with Pedestrian Monitoring and City Emergency Braking System.¹

Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations.

Parking sensors with Park Assist.^{1,2}

As part of Park Assist, Parking sensors monitor the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Emergency Assist.¹

Enhances safety when the driver is incapacitated. The system initially reacts to inactivity by emitting a warning tone, vibrating, and then performing a safe braking manoeuvre.

Traffic Sign Recognition.^{1,2}

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation system.

¹ Within system thresholds. ² Optional at extra cost.

3RJ, 79H and 7X2 are currently available as options on the Caddy California only. Caddy California models can be ordered with these options and certain Caddy California models available from stock may come with these options. Estimated lead time for the new vehicles is up to 12 months. Stock models are limited and subject to availability. Please speak to your local authorised Van Centre for more information.

Everyday power

Engines. The Caddy California has a choice of petrol and diesel engines, together with the option of manual or DSG automatic gearboxes, that allows you to choose the engine that best suits your needs.

Dual-clutch gearbox (DSG). The Caddy California can be fitted with an adaptive 7-speed dual-clutch gearbox. This enables fully automatic, smooth gear changes without interruption of tractive power, and it also adapts to the driver's driving style. You can also shift up and down using paddle switches on the multifunction steering wheel.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

Standard Equipment California

WHEELS AND TYRES

16 inch 'Wien' alloy wheels in Silver 6.5J x 16 with 205/60 R16 tyres
Anti-theft wheel bolts, lockable
Tyre mobility kit in lieu of spare wheel: 12-volt compressor and tyre sealant

EXTERIOR

Black door mirrors
Body-coloured door handles
Body-coloured front and rear bumpers
Electronic parking brake – with auto hold function
Exterior mirrors, power-adjustable and heated
H7 twin halogen headlights
LED tailgate lighting surround
Rear tailgate with heated window
Rear window wiper and washer system with intermittent control
Roof rails, black
Separate daytime running light with automatic headlight range control
Silver coloured sliding door rail
Twin rear sliding doors
Unique 'California' badging

HEATING AND SUN PROTECTION

Climatic air conditioning system, manual
Heat-insulating windscreen
Sun visors with vanity mirrors

INFOTAINMENT AND CONNECTIVITY

App Connect
Composition Colour DAB+ radio system with 8.25 inch touch-screen and six loud speakers, Bluetooth® hands-free and two USB interfaces (type-C) in dashboard
Multi-function display
We Connect ¹ preparation

INTERIOR – CAB AREA

Carpet floor covering in cab
Center console with two cup holders
Drawers under driver and front passenger seats
Electric front windows
Electronic parking brake – with auto hold function
Glovebox compartment, lockable – with illumination
Interior light in headliner incorporating LED technology
Manual height adjustment for front seats
Manual lumbar adjustment for front seats
Multi-function leather trimmed steering wheel
Overhead storage compartment
Reach and rake adjustable steering column
Rear-view mirror with anti-dazzle function
Seat trim covers in 'Double Grid' fabric upholstery
Servotronic speed-related power-assisted steering

PASSENGER COMPARTMENT

Carpet floor covering in passenger compartment
Interior lights, five in passenger compartment
Fixed side windows in passenger/load compartment
Folding table on front seat backrests
Three-seat bench in second row – split/folding and removable with ISOFIX mountings to outer seats
12V socket in passenger compartment

CAMPING EQUIPMENT

Folding comfort bed, with dished springs (1,980 mm x 1,070 mm)
Magnetic window blinds for all windows
Pull-out kitchenette in the rear – single burner
Ventilation grille with mosquito screen for driver and front passenger doors
2 folding chairs and 1 folding table, including bag for storing under the bed

DRIVER ASSISTANCE AND SAFETY SYSTEMS

Anti-lock Braking System (ABS)
Anti-theft alarm system with interior monitoring in cab, back up horn and towing protection
Automatic hazard light activation under emergency braking
Automatic Post-Collision Braking System
Brake Assist system
Cruise control including speed limiter
Curtain airbags for rear outer passenger seats
Driver Alert system
Driver and front passenger airbags with front passenger's airbag deactivation
Electronic Brakeforce Distribution (EBD)
Electronic engine immobiliser
Electronic Differential Lock (EDL)
Electronic Stabilisation Programme (ESP)
Electrically-operated child safety lock
eCall emergency system
Engine Drag Torque Control (MSR)
First aid kit with warning triangle and safety vest
Front Assist with Pedestrian Monitoring and City Emergency Braking System
Lane Assist
Remote central locking and two remote keys
Seat belt warning if unfastened, front and rear
Side and curtain airbags for driver and front passenger
Traction Control System (TCS)
Tyre pressure loss indicator
Windscreen wiper with variable intermittent delay and wash-wipe system
3-point seat belts in front, with pretensioner and height adjustment

EFFICIENCY TECHNOLOGY

Regenerative braking
Start/Stop

¹ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

² Unladen weight includes approximately 90% fuel load and 75kg for driver.

³ Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Please contact your local Volkswagen Van Centre for more details.
Roof load limit: 100kg. Trailer nose weight: 80kg.

* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.9.2022. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

2 From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

RDE2 refers to Real Driving Emissions Step 2

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.³

Complimentary Volkswagen Drive Away Insurance

Every new and Approved Used Volkswagen comes with five days' complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Drive Away Insurance is designed specifically for your Volkswagen and guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer. Speak to your Volkswagen Van Centre for more details. *Subject to eligibility.*

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Volkswagen Car Insurance offers. Read on for more details.

Volkswagen Car Insurance

Volkswagen Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Volkswagen. Just as you'd expect from Volkswagen, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost. Insure your car with Volkswagen and relax knowing we only use Volkswagen trained technicians, who know your car inside out, and Volkswagen genuine parts*, giving you the peace of mind that your Volkswagen will be repaired to the same high standards as before and to original manufacturer specifications.

**Excludes windscreen claims.*

To get a quote or find out more, visit www.insurewithvolkswagen.co.uk/car-insurance

Alternatively, call us on **0345 877 6464**.

We're available Monday to Friday 8am-8pm, and Saturday 9am-5pm.

Volkswagen Commercial Vehicle Gap Insurance.⁴

What is Volkswagen Commercial Vehicle Gap Insurance?

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Volkswagen Commercial Vehicle, or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Volkswagen Commercial Vehicle Gap Insurance

This pays the difference between the write-off settlement from your motor insurer and the price you paid for your Volkswagen Commercial Vehicle, or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Volkswagen Commercial Vehicle Gap Insurance will cover the difference between the write-off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Volkswagen Commercial Vehicle Gap Insurance Plus

In addition to all the benefits of Volkswagen Commercial Vehicle Gap Insurance, the Volkswagen Commercial Vehicle Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written-off during the additional 12-month fixed benefit period of insurance, Volkswagen Commercial Vehicle Gap Insurance will pay a fixed sum of £2,500.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Volkswagen Commercial Vehicle Gap Insurance, please speak to your nearest participating Volkswagen Van Centre or visit www.insurewithvwc.co.uk/gap-insurance.

Servicing and support.

We're here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Service Plans.⁶

Designed to keep you on the road, you can plan ahead and cover your next two services with a Service Plan. With the same pricing across all eligible models, we've made paying for your first two services as easy as possible with the option to pay upfront or spread the cost over 24 months.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Caddy, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caddy is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales.

Factory extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase a Factory extended warranty.

Paint and body warranty.

Your Caddy's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales number: 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

The Caddy California

This brochure supersedes all previous publications.

Issue: 1 September 2022

www.volkswagen-vans.co.uk

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
